## WORK EXPERIENCE

August 2017 - Present

Dometic, Litchfield, IL

Graphic Designer

As a member of the Marketing team at Dometic, I am responsible for the overall layout and production design for all catalogs, advertisements, brochures, presentations, logo creations and booth graphics for all of the channels within the company. Additionally, I am responsible for packaging design for various products as well as promotional item procurement. At this time, the Marketing team is undergoing a full company rebrand from the former SeaStar Solutions to Dometic and I am very involved in that process.

October 2014 - August 2017

Richland Community College, Decatur, IL

Creative Marketing Specialist

In this position I created marketing and advertising materials for the college as well as all marketing materials needed by any of Richland's many divisions and departments. I also assist with Marketing strategy sessions to better serve the college and it's recruitment process, and worked with large and small format printing that we supplied within the establishment.

May 2011 - October 2014

Systemax Corporation, Springfield, IL

Graphic Designer

As a Designer at Systemax, I designed marketing and advertising materials and campaigns as well as any other printed products for clients. I also assisted in the upkeep of all In-House designs and the company website and product photography. During my time at Systemax, we in the Marketing Department also held the responsibility of re-designing the company logo and brand.
